Subject: Meeting

---

Stacey, I spoke with Mr. Anthony, Chief Operating Officer at UEC, about meeting times. The week of the June 11<sup>th</sup> or the week of June 18<sup>th</sup> we will make ourselves available.

As to location, we do not mind traveling to Dallas to meet at EPA Region VI Headquarters. However, both the TCEQ and some of UEC's consultants are in Austin (Mr. Anthony is in Corpus Christi), so meeting in Austin is fine with us as well.

Thank you for the courtesy of the telephone call and we look forward to meeting with you.
